

# SUPER-CANNES

"Eden-Olympia is more than just a multinational business park, it is a virtual city-state in itself, with the latest in services and facilities for the most elite high-tech industries. Isolated and secure, overlooking the luxurious French Riviera,...

## Peek Inside the Book

The film festival measured a mile in length, from the Martinez to the Vieux Port, where sales executives tucked into their platters of fruits de mer, but was only fifty yards deep. For a fortnight the Croisette and its grand hotels willingly became a facade, the largest stage set in the world. Without realizing it, the crowds under the palm trees were extras recruited to play their traditional roles. As they cheered and hooted,...

## Reader's Opinions

I was surprised to see that the book was published in 2002. It feels much older with the language Ballard uses, and it makes the book feel like another ex-pat novel, which is probably intentional. However it is not that. The story unfolds well and has interesting, if very flawed, characters. Ballard crushed in any genre he...
