

# THE STATE OF THE WORLD ATLAS

This unique book, a milestone of graphic reporting, has become a trade reference classic since its first publication in the 1970s. Completely revised and updated, the new 9th edition of this groundbreaking 'atlas with attitude' keeps pace with the speed of change, using over 100 thematic world maps and vivid graphics to break down hardcore statistics into accessible, compelling form. Widely praised for its ingenious design and statistically meticulous presentation of trends, The State of the World Atlas graphically analyses every key indicator and vital...

## Peek Inside the Book

Knowledge is not the same as wisdom. You can know all the facts and still not be able to act wisely. But without knowledge, it is harder to be wise even if what wisdom tells us is that knowledge is very often provisional and that we cannot wait to have certainty about every fact...

As we encounter each other, we see our diversity of background, race, ethnicity, belief and how we handle that diversity will have much to say about whether we will in the end be able to rise successfully to the great challenges we face today. Dan Smith, The State of the...
