

THE BOOK OF ASSISTANCE

Long popular in Arabic, as well as Swahili and Malay, this classic text offers a complete guide to Muslim devotions, prayers and practical ethics. There are many books in English which present Sufi...

Reader's Opinions

I loved this book--it's thought provoking and although it's short each word is meaningful and the message is massive. it's beautiful, concise, and renews your heart. it's a book that you must refer back to several times in life. I hope to learn arabic and read it in its original language.
