

CHASING EDEN

Modern-day Iraq: During a raging sandstorm in a war zone, army chaplain Jaime Richards is shocked to be reunited with her old friend Adara Dunbar--and devastated when, in the midst of an ambush, a black-robed man murders Adara in cold blood. But not before she delivers a final message to Jaime--one important enough to die for...and obviously to kill for. Why Adara? And how did her assassin know Jaime's name? Jaime's quest for answers will lead...

She tried to clear her mind. She knew she needed to return to the war, already in progress. Sharon Linnea, Chasing Eden

Reader's Opinions

Actually, more like 3.5 stars. I enjoyed the concept, but the execution wasn't quite up to it. A little too convoluted in spots, a little uneven characterization. Still, if I remember to look for it, I'll check out the next one.

I picked this up as an Advance Reader's Copy a few years ago when I still worked at Borders, and I just now finally got around to reading it. I expected typical...
