

THE GENIUS OF THE BEAST: A RADICAL RE-VISION OF CAPITALISM

Is global capitalism on its last legs? Is the era of American leadership over? Has the West begun a decline into a new Dark Age? Does American civilization deserve to survive? These are the unnerving questions raised by the Great Crash of 2009. This book presents a radically new answer, insisting that global society has only begun to realize its full potential....

Peek Inside the Book

All of us dream of being part of something greater than ourselves. All of us want to make a contribution. The greatest contribution you make isn't in the money you give to charities. It isn't in the nonprofit foundations you establish. And it isn't in the work you do as a volunteer. Your greatest contribution to something greater, to the lives...
