

LILY WHITE

In the year 2043, eight-year-old Albert leaves his home to go on his first school trip. He walks through comfortable suburbs, but Albert must take care not to be spotted by the NUPS on his short walk. As the grandson of Polish immigrants, he...

Reader's Opinions

This is my book, so I don't think it would be good form for me to write a review! But here are some comments from readers via facebook:"today I finished reading Shelley Poole's book - way too easy to read! My only complaint is that I wasn't ready to stop reading it yet!!!" Sarah E"Hey Shelley! Just thought I'd let you know I have just...

Really enjoyed this book. Interesting view of the future of Britain, which I certainly hope does not turn into a reality! Easy to read and a great price - definitely one to read!
