Peek Inside the Book

The true Enlightenment thinker, the true rationalist, never wants to talk anyone into anything. No, he does not even want to convince; all the time he is aware that he may be wrong. Above all, he values the intellectual independence of others too highly to want to...

Reader's Opinions

Standout sections: Ch1 (The Logic and Evolution of Scientific Theory); Ch10 (Against the Cynical Interpretation of History); and Ch15 (How I became a Philosophy Without Trying).Ch1: I highly recommend finding this book just to read chapter 1 for it's own sake. Extremely interesting view of the scientific method being an outgrowth of...
