

THE BODY ARTIST

A sad, beautiful novel, The Body Artist is an elliptical meditation on the mysteries of love, life and time. 'A novel that is both slight and profound, a distilled meditation on perception and loss, and a poised, individual ghost story for the twenty-first century' Observer The Body Artist begins with normality: breakfast...

Peek Inside the Book

It was agreeable to her, the smell of tobacco. It was part of her knowledge of his body. It was the aura of the man, a residue of smoke and unbroken habit, a dimension in the night, and she lapped it off...

When birds look into houses, what impossible worlds they see. Don DeLillo, The Body Artist

Reader's Opinions

The first chapter of The Body Artist is a near perfect bit of prose-poetry, two people microscopically dissected through a few minutes of mundane action. Everything proceeds in a sort of hyperreal slow motion, but it flows easily, naturally, even so. From there, the book switches gears...
