

# A MIND AT A TIME: AMERICA'S TOP LEARNING EXPERT SHOWS HOW EVERY CHILD CAN SUCCEED

"Different minds learn differently," writes Dr. Mel Levine, one of the best-known learning experts and pediatricians in America today. Some students are strong in certain areas and some are strong in others, but no one is equally capable in all. Yet most schools still cling to a one-size-fits-all education philosophy. As a result, many children struggle because their learning patterns don't fit the way they are being taught. In his #1 New...

## Reader's Opinions

I read this book as a required text in one of my Masters classes. It was so interesting! It talks about the different ways in which students and children process information and where different breakdowns may occur in that process which would cause students to have problems. Sometimes these problems can manifest themselves and be misdiagnosed...
